DOOR HANGING SERVICE

We offer a **professional door hanging** service covering **all sized projects** from **developments** through to **domestic houses**.

Our **door hanging teams** are currently based in **Cape Town** but also hang doors in the whole the **Cape Province** and we are more than happy to send a door hanging team to **any other region in South Africa** subject to the **project size**.

Our professional door hanging teams will **hang your door** and **install your locks** and **hardware**.

All our door hanging teams are **supervised** and all the staff are **full time employees** thus **preventing the problem of having casuals** in your house or on your site.

AREA/REGION THAT WE COVER

Mainly **Cape Town**, but also the whole of the **Cape Province**.
